How much power does a Guoxuan Hi-tech battery have?

In May 2022, Guoxuan Hi-Tech unveiled a semi-solid battery boasting an energy density of 360Wh/kg. When tested in a high-end model, the battery yielded a power of 160kWh, a cruising range of 1000 kilometres, a battery pack energy density of 260Wh/kg, and an acceleration time of 3.9 seconds from 100 kilometres - all notable enhancements.

Who is Guoxuan high-tech?

As a key player among China's cadre of EV battery makers leading electrification efforts worldwide, Guoxuan High-Tech (Gotion High-Tech) kicked off 2024 with an agreement to cooperate with Chery Automobile in exploring innovation in passenger cars and commercial vehicles, as well as opportunities in the new energy vehicle market.

Who owns Guoxuan battery?

Company Chairman Zhen Li drew inspiration from his 2005 visit to the University of Science and Technology of China and built a team to pursue battery research. Guoxuan launched its high-capacity lithium iron phosphate (LFP) battery in 2007. In 2021, Volkswagen became the largest shareholder of Gotion High-Tech.

Who is Hefei Guoxuan Hi-Tech Power Energy Co?

In the agreement announced Jan. 8., Hefei Guoxuan Hi-Tech Power Energy Co, a subsidiary of Guoxuan, will participate in product development while serving as main supplier. The partnership's scope will encompass battery cell consistency and safety, big data, and even new business areas including electric ships.

the agreement announced Jan. 8., Hefei Guoxuan Hi-Tech Power Energy Co, a subsidiary of Guoxuan, will participate in product development while serving as main supplier. The partnership's scope will encompass ...

The company has formed key partnerships, enhancing its operational capacity and competitiveness, 3. Guoxuan High-tech's energy storage solutions are increasingly recognized for their ...

According to Zhang Dongsheng, director of the Guoxuan High-tech Energy Storage Research Institute, the product has currently received orders for more than 6GWh of projects under construction and ...

Does Guoxuan High-tech do photovoltaic energy storage

As a key player among China's cadre of EV battery makers leading electrification efforts worldwide, Guoxuan High-Tech (Gotion High-Tech) kicked off 2024 with an agreement to cooperate with ...

Energy Storage Sector Layout In the energy storage field, Guoxuan High-Tech has formed a complete product system that covers all scenarios on the power side, grid side, and user side.

Guoxuan High-tech and China Three Gorges Corporation signed a cooperation agreement in Huai'an Industrial Park, Jiangsu Province to jointly invest in an integrated photovoltaic and storage project. The project will ...

FINAL THOUGHTS Guoxuan High-tech stands at the forefront of the energy storage industry, offering a sophisticated portfolio that includes lithium-ion batteries, energy storage systems, battery ...

Guoxuan High-Tech's chairman, Li Zhen, recounts an influential visit to the University of Science and Technology of China in early 2005. Inspired by the university's work on lithium iron phosphate energy ...

"Science and innovation daily" 2 days, the WeChat official account of the August 2nd high tech WeChat signed the strategic cooperation agreement with the Jingke energy Limited by Share Ltd in July ...

By 2027, the base will become the core hub for the transformation of Guoxuan High Tech's new battery technology, providing power batteries for over 300000 new energy vehicles annually and high ...
