Who is Doho power supply?

DOHO is a leading provider of power supply and control products in China. We offer a complete line of power supply cabinets for various applications and industries. Our products are UL, CSA, and CE approved. DOHO is an established power supply box manufacturer that offers both conventional and custom options for your specific needs.

What is a power supply cabinet?

Our power supply Cabinets are designed to protect your critical equipment from power surges and voltage spikes from the toughest operation condition. Our distribution cabinets can be made from materials such as Aluminum, Steel, or Stainless Steel. We provide a variety of outdoor power supply cabinets to meet the needs of different industries.

Why should you buy power distribution cabinets wholesale?

Enhance your Power Distribution Cabinet & Box setup with our premium Power Cabinet. Buying power distribution cabinets wholesale offers cost savings, volume discounts, and customized solutions. Procuring in bulk from a reputable supplier allows project scalability, product standardization, and timely delivery to meet operational needs.

Are our power supply cabinets UL compliant?

We make sure to meet strict industry standards when it comes to the design and manufacture of our power supply cabinets. We are compliant with the following standards: IEC 60297, UL 508A, NEMA 250. Our facility is manned by industry-leading experts in the field of power supply and control.
