Who is Nordex group?

The Nordex Group is one of the world's leading OEM's with 40 years of experience in manufacturing highly efficient wind turbines for global onshore markets.

Does Nordex share data with third-party providers?

Please note that doing so will share data with third-party providers. With the Delta4000 platform, the Nordex Group relies on tried-and-tested series-production technology. We took the Delta Generation's fundamental design and transferred it over to the 4 to 7 MW classes, with the help of performance-enhancing concept adaptations.

Who makes Nordex wind turbines?

As one of the world's largest wind turbine manufacturers, the Nordex Group offers high-yield, cost-efficient wind turbines that enable long-term and economical power generation from wind energy in all geographical and climatic conditions.
