Off-grid type West African energy storage battery cabinet for schools

I'm not sure about what off means in the following text. It's an address contained in the footer of a letter from Wright Robinson College I'm translating. I don't think it's very important, but ...

Do you say "get off the phone" only to someone who's talking on the phone with someone else? Or can it also be said to someone who's just playing with his phone, gaming, scrolling facebook ...

Hi, What is the difference of "get off my bed" and "get out of my bed"? Are they interchangeable? I was wondering if "off" is particularly away from the surface of the bed while "out of" ...

Ditto, and to (2) you could add "I won't be in next week". In fact, you could take a week off trying to decide which one to use . They are all in the same register, and for normal conversational ...

Lenercom is implementing a transformative industrial-scale off-grid energy solution to power education across Zambia, deploying 2.58MWh of Industrial Energy Storage Cabinet systems to electrify 20+ ...

Yeah. It's not too common though. The two most common formulations are: I get off work at 5. and I get off of work at 5. At least where I live, "get off from" is used, but not as readily as those ...

Your choices (get off work, finish work, leave work) will all work fine finishing the question about a normal working day. I don't see much difference in formality, if any.
