-----

The company has an excellent management team and a professional R & D and production team, and the main products include high cost-effective automatic tracking photovoltaic ...

**Easy Installation:** Simply clean the PV module surface, affix the water clips to the bottom without tilting, ensuring no mud areas. Using a photovoltaic panel protection mat prevents debris ...

The utility model relates to the technical field of photovoltaic panel installation, in particular to a fixed connection structure of a waterproof guide rail and a photovoltaic bracket.

**Easy Installation:** Simply clean the PV module surface, affix the ...

**ENHANCED STABILITY WITH TRIPLE CHANNELS** - Engineered with three guide channels to increase drainage speed and secure attachment, these clips remain firmly in place once installed, reducing ...

**Description** Enhance the longevity and performance of your solar panels with these solar panel water guide and mud removal clamps. Suitable for use in various weather conditions.

The Solar Panel Water Drain Clip works on a simple principle. It is installed at the lower end of the solar panel, where it breaks down the surface tension of water on the panel's edge. This effectively ...

**Efficient water drainage?** With a dual-channel design, the clip allows for the discharge of 95% of the water within 300 seconds, ensuring fast and efficient water drainage.

**Userfriendly installation:** simple and quick to install, these clips are compatible with a wide range of photovoltaic -photovoltaic solar panel bracket **Comprehensive solution:** provides a complete water ...

**Durable and Strong:** With a wind load of 60m/s and a snow load of 1.4kn/m<sup>2</sup>, this product is designed to withstand harsh weather conditions, ensuring a long-lasting and reliable performance.

# Photovoltaic bracket water guide plate

1.The guide rail with water tank has good drainage performance and waterproof effect. 2.High corrosion resistance, salt tolerance. 3.Lightweight, easy transportation and installation, safe construction. 4 is ...
