high angle view of smart distribution warehouse with robot arms working on solar panel production - solar panels warehouse stock pictures, royalty-free photos & images

This image features a wide view of a solar panel array, which appears to spread out towards the horizon. The panels are arranged in a grid pattern on a flat surface, while a subtle, cloudy sky looms overhead.

In this paper, we propose a conceptual design to reduce the solar power plant area by using dish reflector and solar panel arrangement by placing the solar panel at 90° angle.
